HUGS

It's wonderous what a Hug can do.
A Hug can cheer you when you're blue.
A Hug can say "I love you so,"
Or "Gee, I hate to see you go."
A Hug is "Welcome back again,"
And "Great to see you! —
Where you been?"
The Hug! There's no doubt about it—
We scarcely could survive without it!
So stretch those arms without delay,
And give someone a Hug today!

DEDICATION

THE CLASS OF 1986 DEDICATES THIS EDITION OF THE *TIOT* TO THE MEMORY OF THE SEVEN *CHALLENGER* ASTRONAUTS WHO LOST THEIR LIVES THIS YEAR: GREG JARVIS, CHRISTA MCAULIFFE, RON MCNAIR, ELLISON ONIZUKA, JUDY RESNIK, DICK SCOBEE, AND MICHAEL SMITH. WE ESPECIALLY REMEMBER CHRISTA MCAULIFFE WITH HER ENTHUSIASTIC ATTITUDES TOWARD THE IMPORTANCE OF EDUCATION AND THE ACCEPTANCE OF LIFE'S CHALLENGES.

PRESIDENT REAGAN, IN HIS EULOGY AT THE JOHNSON SPACE CENTER IN HOUSTON, SAID "WE LEARNED AGAIN THAT THIS AMERICA, WHICH ABRAHAM LINCOLN CALLED THE LAST BEST HOPE OF MAN ON EARTH, WAS BUILT ON HEROISM AND NOBLE SACRIFICE. IT WAS BUILT BY MEN AND WOMEN LIKE OUR SEVEN STAR VOYAGERS, WHO ANSWERED A CALL BEYOND DUTY, WHO GAVE MORE THAN WAS EXPECTED OR REQUIRED, AND WHO GAVE IT WITH LITTLE THOUGHT TO WORLDLY REWARD."

WE, THE CLASS OF 1986, WISH TO EMULATE THE ATTITUDES OF THESE SEVEN PEOPLE, WHILE REACHING FOR OUR OWN GOALS.

IN MEMORIAM

Debbie Whittemore

When I heard the news, I didn't know what to do.
Our days of friendship were almost through.
There was a car, a screech, a hit and a run.
Why did you have to be the one?
I remember crying myself to sleep that night.
Praying to God, you would be all right.
Your life was ended, before it had begun.
Debbie, you died much too young.

FOREIGN EXCHANGE STUDENT

Consuelo Cid

I have enjoyed my year in Norwood very much. I like the way the people are here. I have always spent a good time with my friends going to movies, parties, and discos. I had fun ice skating and eating junk food like ice cream, cookies, and M&M's. The teachers here are friendly and helped me a lot with my English. Thanks to everyone for making this year fun.

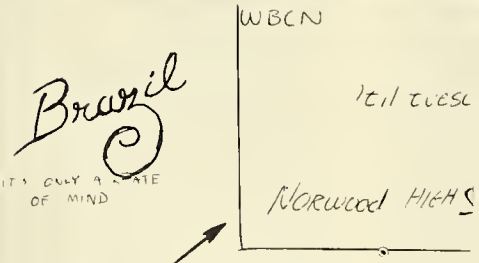
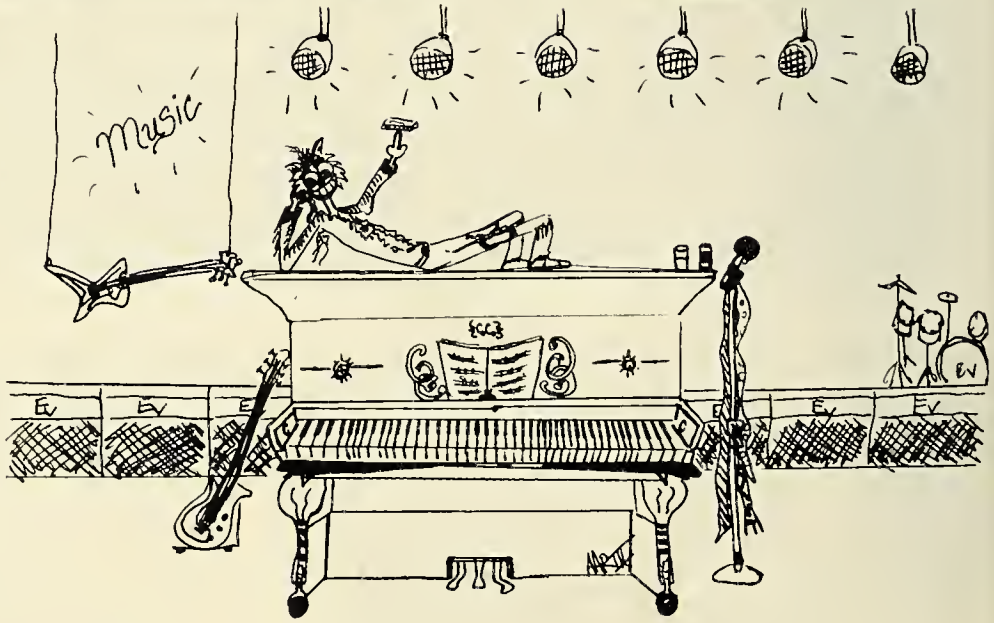
SENIOR THOUGHTS

It's been a long time,
And we've come a long way.
We're reflections of the people,
We stand with today.
We're standing as friends,
And as friends we'll part.
Going separate ways,
But staying close at heart.
They took away our school,
And locked the door.

But the memories are ours!
'Til we can remember no more.
These years have been trying,
And the work has been tough,
but now it's time to leave —
I think we've had enough.
So quickly we move forward,
But turn back once again.
Now we've realized too late —
— this is really the end.





THERES NO TRYING, THERE'S JUST DOING

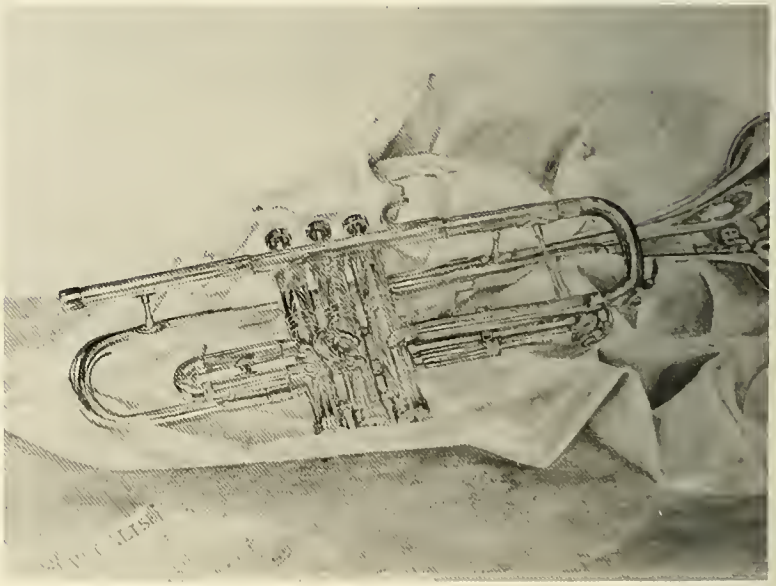
Front Row: N. Narekian, C. Carter, G. Troilo, P. Lydon. Back Row: J. Hopcraft, M. Brown, D. Kaseta.



Four dedicated teachers will be leaving along with the graduating class of 1986. These teachers have been a tremendous help to us during our years at Norwood High. The class of 1986 joins with all previous classes in thanking them for all of their time, effort, and patience in guiding us through our high school years.

Mr. Gilbert Dehler began teaching at Norwood High School in 1958. Since then, he has taught all of the Latin courses at Norwood. A very well-rounded teacher, he has also taught Latin and Greek classics, Western Civilization, English, and U.S. History. He was the advisor of the Latin Club for many years.

Mr. Horace Fader arrived at Norwood High School in 1963. He has taught chemistry and biology, as well as an occasional math course. He was the yearbook business advisor for many years, and is currently the instructor for the rifle club.

Mr. Dino Fiore came to Norwood High School in 1961. He started as a math teacher, but switched to science in 1965. Just a year later he was named department head. In the twenty years since, he has taught physics and chemistry. He also served as Junior Varsity baseball coach for several years.

Mrs. Maria Revilla began teaching at Norwood High School in 1972. She has taught Spanish and was advisor to the Spanish Club. Mrs. Revilla has also been an active member and past president of the American Association of Teachers of Spanish and Portuguese.

CHINATOWN

UPTIGHT AND LOOSE

there it's loose. Rambo is uptight to some yet loose to others. Mr. Fuccillo is uptight this year, but was loose last year. All dogs are loose except for Odie, who is uptight. All cats are uptight, except for Garfield who is loose.
How can you tell which you are? Uptight people take themselves seriously, and they hope you're taking them seriously as well. Neatness counts, but it's not everything, some slobs are uptight, while some fancy dressers are loose.

The quintessential uptight and loose characteristics are hard to nail down, so let's start with a few examples. Some subjects nearly classify themselves. For instance Mr. Wheeler is uptight, while Mr. Fader is loose. Mr. Katchpole — uptight; Mr. Smith — loose. In the Superbowl, Tony Eason was uptight while Jim MacMahon was loose. Don Kent very uptight while Dick Albert very loose. People who read *Time* or *Newsweek* are uptight, people who read *Cosmopolitan* or *Seventeen* are loose. People who watch channel 2 are uptight while people who watch The Cosby Show are loose.

Sometimes it's not easy. Beware of deceptive labeling: Mr. Parker pretends he is loose but he is uptight, Mr. Clifford pretends he is uptight but he is loose. Mr. Gallahue sometimes seems loose but is uptight, whereas Mr. Usevich sometimes seems uptight but is loose. John Belushi was uptight in "Neighbors" yet he was loose in "Animal House." Rodney Dangerfield is uptight on the outside but loose on the inside. The few weeks before the prom are always uptight but when you get there it's loose. Rambo is uptight to some yet loose to others. Mr. Fuccillo is uptight this year, except for Odie, who is uptight. All cats are uptight, except for Garfield who is loose.

The N.H.S. Uptight Hall of Fame: Mr. Frost, Mr. Wheeler, Mr. Piccirilli, Miss Hanks, Mrs. Hutchinson.

The N.H.S. Loose Hall of Fame: Mr. Lyons, Mrs. Ingraham, "Riles", period 7.

This year the football team finished a disappointing season with a 2-8 record. The record was by no means indicative of the talent that was on the team. Led by tri-captains Dave Abely, Tim Turner, and Kevin Keegan the team suffered tough last minute losses to Needham, Milton, and Wellesley.

Despite the fact that all games were played away, the team managed to play its best game of the year against highly touted Natick, unfortunately losing to them in the final minute of play.

At the banquet All-Scholastic running back, Kevin Keegan, was named as the team's MVP. Other award winners included Mark Williams, John Randall, Chet Hayman, Dave Abely, and Carlo Gaita, who won the John Finasse imitation award.

The team would like to thank the cheerleaders for their support throughout the year and the band for "its support" at 2 of the games. Best of luck to next year's team.

TRI CAPTAINS — Tim Turner, Kevin Keegan, Dave Abely.

Due to many disappointing injuries, the 1985 boy's soccer team (1-16-1) did not complete their season as hoped. Nevertheless, the team never lost their spirit or determination. The team was led by tri-captains Mike Desmond, Tony Barreira, and Tom Foley. Senior Tony Barreira was elected Bay State League All-Star and the league's M.V.P. Seniors Mike Desmond, Chris Pennie, Glenn Medwar, and Jim Forrest were elected to Honorable Mention awards. Norwood 26, Wellesley 29

Norwood's depth was too much for Wellesley as the Mustang harriers notched a 26-29 triumph Tuesday.

Wellesley runners captured the first two positions, but Norwood took the next four places to win.

Norwood coach Joe Katchpole said, "Depth was the big thing. They took the first two and then we took over."

Mike Teahan took third (13:23) followed by teammates Gar Johnson (13:24), Matt Gallar (13:28), and Joe Medio (13:35).

"We had four men within seconds of one another. And got a really strong and excel performance from Chris G who took a big eighth place the critical points," adde chpole.

The win pushes No record to 2-1. The Mustang on Natick (1-1) Friday.

The 1985 Field Hockey Team was predicted to be a rebuilding team, but proved otherwise. Led by captains Jessica Breen, Melinda Moleon, and Andrea Topping, the team displayed dedication and skill to reach the quarter-finals of the E-Mass tourney. Overall, it was a sensational season as the team suffered its only two losses to Walpole.

Congratulations to MVP Melinda Moleon, and unsung hero Laura Naughton, and many thanks to Coach Steih. The seniors would also like to wish good luck to next year's team.

This year's Volleyball team had a tough year in a very competitive league. The record of 7 wins and 11 losses does not give justice to these hard-working, talented athletes. However, the team was very fortunate in acquiring a new coach, Mr. Zeman, who worked at improving the basic skills of the team. The MVP for this season was Teresa Drummey. The seniors wish good luck to next year's team.

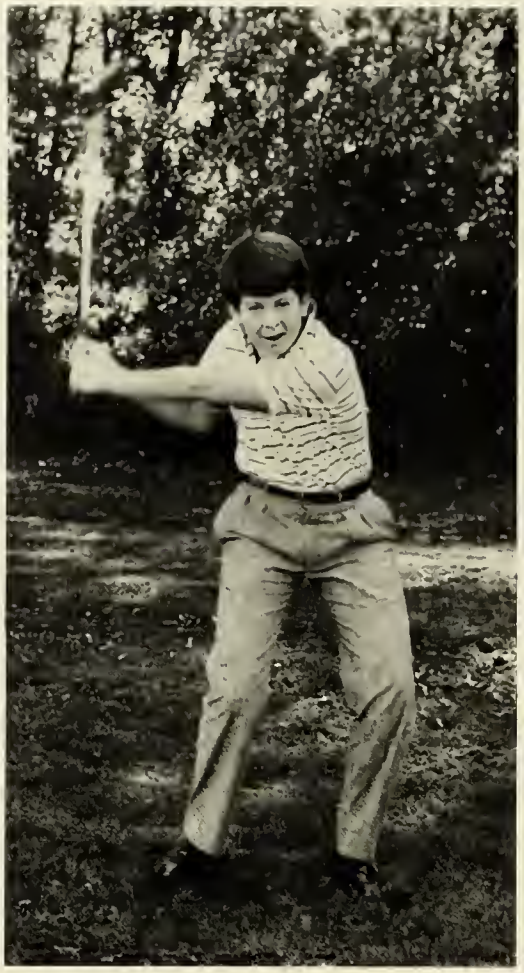
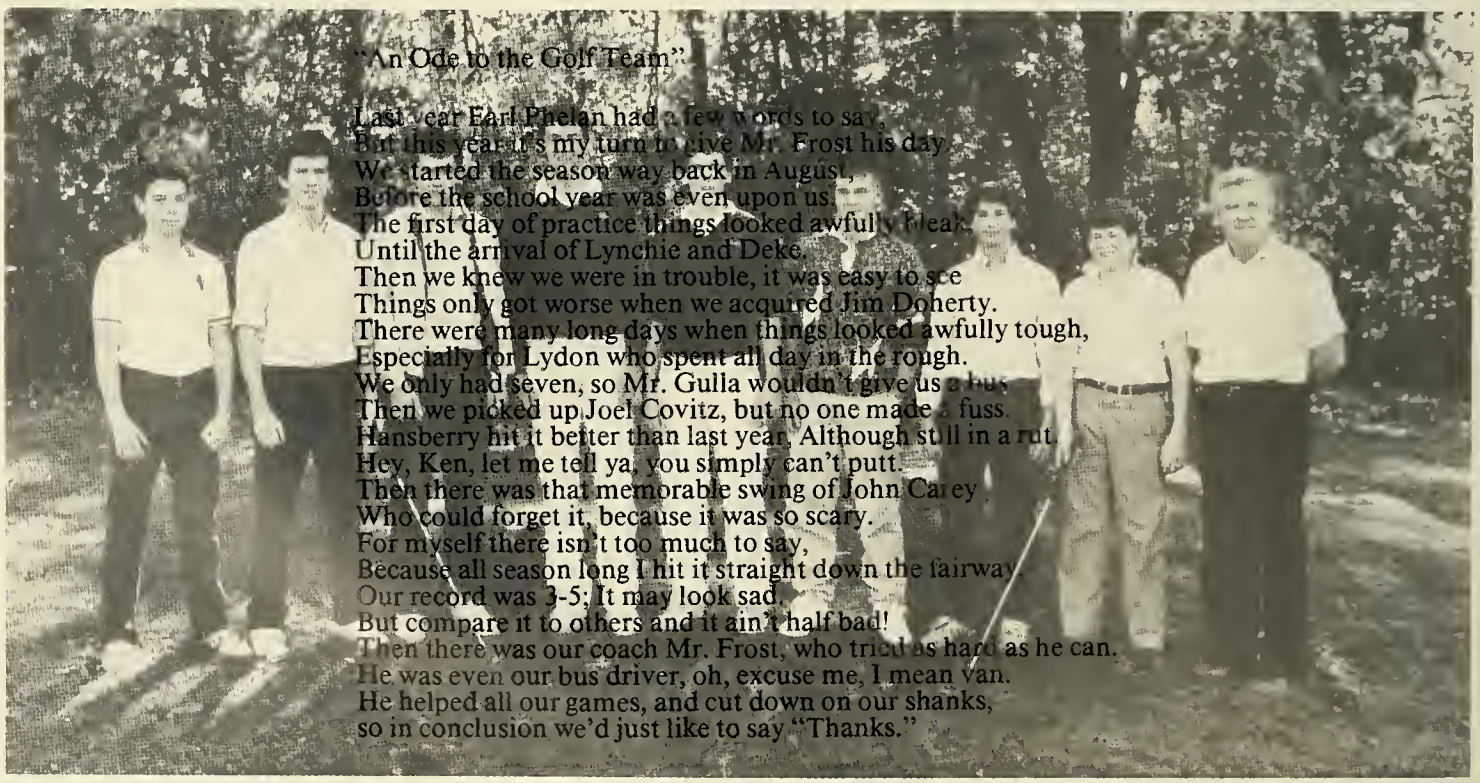
This year's golf team was eyeing an above .500 season, but fell just short at 4-5. The M.V.P. was John Carey who set the links on fire.* The golf team thanks Mr. Frost for coaching them to a fine season.

*John Kelly's poem at the seasons end banquet summed up the team's performance.





"An Ode to the Golf Team"

Last year Earl Phelan had a few words to say,
But this year it's my turn to give Mr. Frost his day
We started the season way back in August,
Before the school year was even upon us,
The first day of practice things looked awfully bleak,
Until the arrival of Lynchie and Deke.
Then we knew we were in trouble, it was easy to see
Things only got worse when we acquired Jim Doherty.
There were many long days when things looked awfully tough,
Especially for Lydon who spent all day in the rough.
We only had seven, so Mr. Gulla wouldn't give us a bus,
Then we picked up Joel Covitz, but no one made a fuss.
Hansberry hit it better than last year, Although still in a rut,
Hey, Ken, let me tell ya, you simply can't putt.
Then there was that memorable swing of John Carey
Who could forget it, because it was so scary.
For myself there isn't too much to say,
Because all season long I hit it straight down the fairway
Our record was 3-5; It may look sad,
But compare it to others and it ain't half bad!
Then there was our coach Mr. Frost, who tried as hard as he can.
He was even our bus driver, oh, excuse me, I mean van.
He helped all our games, and cut down on our shanks,
so in conclusion we'd just like to say "Thanks."

K. Hansbury, P. Lydon, P. DeCosta, K. Lynch, J. Carey, J. Doherty, J. Covitz, J. Kelly, Coach Frost.

GET $25,200 FOR COLLEGE IN TODAY'S ARMY.

The rewards of being a soldier just got richer. With The New GI Bill Plus The New Army College Fund.

You contribute $100 a month from your first full 12 months' paychecks (for a total of $1,200). The government and the Army will contribute the rest (up to $9,600 from the government and up to $14,400 from the Army, if you qualify). That's a great deal.

And as a soldier, you'll also learn a great deal. The Army offers over 80 skills for training. Many of the skills are high-tech, and many are skills you might want to pursue in college.

Call your local Army Recruiter for all the details.

Firefighter's Prayer
by James J.Metcalfe

When I am called to duty, God . . . Wherever flames may rage . . . Give me the strength to save some life . . . Whatever be its age . . . Help me embrace a little child . . . Before it is too late . . . Or save an older person from . . . The horror of that fate . . . Enable me to be alert . . . And hear the weakest shout . . . And quickly and efficiently . . . To put the fire out . . . I want to fill my calling and . . . To give the best in me . . . To guard my every neighbor and . . . protect his property . . . And if according to my fate . . . I am to lose my life . . . Please bless with Your protecting hand . . . My children and my wife.

"THE MAN WHO THINKS HE CAN"

If you think you are beaten, you are.
If you think you dare not, you don't.
If you like to win, but think you can't,
It is almost certain you won't.

If you think you'll lose, you're lost.
For out in the world we find,
Success begins with a fellow's will.
It's all in the state of mind.

If you think you're outclassed, you are.
You've got to think high to rise.
You have to be very sure of yourself,
Before you can win a prize.

Life's battles don't always go,
To the stronger or faster man.
But sooner or later, the man who wins,
Is THE MAN WHO THINKS HE CAN!

We'll help you your whole life through.

As your life changes, so do your financial needs. Young families, for example, have a great need for borrowing. Income is usually reduced as a parent leaves the labor force. Yet expenses are increased due to an extra mouth to feed. We can help with a variety of low-cost loans.

On the other hand, retired couples have little need for loans. They are concerned about safe, profitable investments. Investments that increase their retirement income. We can help with fully-insured term accounts that guarantee interest payments.

Whatever your age, whatever your needs, we'll help you your whole life through. From buying your first car to providing a tax-sheltered retirement fund, you can expect a helping hand from us. To find out more, call or visit our office soon.

We'll help you your whole life through.

If I should ever go away well then close your eyes and try to feel the way we do today.

Keep smiling, keep shining, knowing you can always count on me, for sure, that's what friends are for

For the time when we're apart then close your eyes
and know these words are coming
from my heart

For good times and bad times, I'll be on your side forever more, that's what friends are for.

"Good-bye" is not an ending
when you know that people care,
For miles may come between you
but warm thoughts are always there . . .
"Goodbye" is not an ending
but a different start for you,
A time for making brand-new friends
and seeing dreams come true . . .
"Good-bye" is not an ending,
for you'll find along life's way,
Within your heart you'll always have
a part of yesterday.

GRADUATION JUNE 1, 1986

We the members of the Norwood High School Class of 1986, being of relatively sound mind and body, do hereby acknowledge this document to be our last will and testament:

The Class of '86 leaves behind a nearly renovated High School with the hope that the classes that follow appreciate our sacrifices this year.

ARTICLE I: To Mr. Piccirilli: The Class of '86 leaves a blue and white hard hat, Thursday nights off from Permanent Building Committee Meetings, and our sincere gratitude for his leadership throughout our three years.
ARTICLE II: To Mr. Gallahue, we leave thanks for a job well done; and plexi-glass windows for his office — 'nough said!
ARTICLE III: To Mr. Usevich, we leave a superbowl ring he almost won and an answering service for his $900 Corvette
ARTICLE IV: To Mr. Fuccillo, our sincere gratitude for making our senior year one of the best, with a swell semi, an incredible Prom, and awesome air-band competition, and a really unique variety show.
ARTICLE V: To Mr. Peterson we leave a perfect school, with perfect students, and perfect administrators, in another town . . . in another state.
ARTICLE VI: To coach Breen we leave 25 lbs. of bacon to go along with his eggs.
ARTICLE VII: We would like to leave Anchor Constuction Co. one deadline they can meet.
ARTICLE VIII: To Tracey Callahan we leave a pair of track shoes to keep up with Bob Sugrue.
ARTICLE IX: The Class of '86 leaves the challenge to repeat as BSL Champs in softball and track.
ARTICLE X: The Class of '86 leaves the memory of Wiff at the Walkout.
ARTICLE XI: To Carlo Gaita, we leave a muzzle and a pack of Marlboro.
ARTICLE XII: To Karl Prinz II we leave a "real" prom date.
ARTICLE XIII: To Ken Lynch, we leave a snow shovel.
ARTICLE XIV: The seniors leave Karyn Trask a blow-up doll of John Geddry so she won't be lonely next year.
ARTICLE XV: The Class of '86 regretfully leaves some members behind . . . but remember . . . we took Bobby Haskell with us.
ARTICLE XVI: Dave Foley leaves Chris Johnson a pencil sharpener for his re-election campaign.
ARTICLE XVII: The Class of '86 leaves three prize winning wet T-shirts as a challenge to the Junior class.
ARTICLE XVIII: Kevin "Buzz" Connolly leaves his U.S. History knowledge to Angelo Anello.
ARTICLE XIX: To Nicole Narekian, we leave Dr. Ruth's home phone number.
ARTICLE XX: To the class of '87, we leave bathrooms free of cigaretts, bombs and other unmentionables.
ARTICLE XXI: Eugene Fitzgerald leaves his honorary seat outside Mr. Usevich's office to Kevin Cunningham.
ARTICLE XXII: Dan Foley leaves his services to Mr. Powell and Mrs. Ingrham as a substitute teacher.
ARTICLE XXIII: The seniors extend congratulations to Kevin Keegan for being selected as all-scholastic in football and named New England Wrestling Champ with a record-setting pin. Kevin, we'd also like to leave you with an extended vocabulary.
ARTICLE XXIV: Jack Randall leaves his souped-up Gremlin to the highest bidder . . . Anyone got a quarter????
ARTICLE XXV: The senior graduates leave the underclassmen to worry over tests, take part in food fights, write notes, to yawn, to gripe, to giggle, to learn, — in short, to have the best years of your life!!!

The Class of 1986 leaves many fond memories of the school on the hill and our heartfelt thanks to the administration and faculty for their help and support over the past three years.
